

FARM ANIMALS GRADES 1 TO 3

POST-VISIT ACTIVITIES

Wrap-up/Action:

1. Have children collect pictures of farm animals and make a collage of the pictures. Have the children write an essay about one of the farm animals in the vocabulary and include as much information as they can remember from the field trip.
2. Have the children collect pictures of the many different foods and other products that come from the farm animals and make a companion collage of the pictures and the essay. Place the two collage pictures together with the essay to display.

Extensions:

Have the children choose a farm animal and draw that animal in its appropriate "home" on the farm.

Discuss the book, *Charlotte's Web*, during class and get children's perspective on the premise of the book.
